# BSc Audio Engineering

## Level One

- Computer Programming
- Mathematics 1
- Embedded Systems
- Electronics 1
- Sound Recording and Production 1
- Audio Mixing

## Level Two

- Audio Programming
- Signals and Communication Systems
- Embedded Systems 2
- Electronics 2
- Instrument and Installation Design
- Live Production Systems Sound Design For Film
- Sound Recording and Production 2

## Level Three

- Digital Audio Effects
- Auditory Perception
- Audio Engineering Project
- Work Based Learning
- Audio Post Production Immersive Media
- Sound Recording and Production 3
