

**QUEEN'S
UNIVERSITY
BELFAST**

SCHOOL OF
MATHEMATICS AND PHYSICS

American Indian proverb, "We don't inherit the earth from our ancestors; we borrow it from our children."

- To promote green practice, resource effectiveness and a culture of sustainability
- Oversee the development and implementation of a School-based Green Impact Strategy, aligned with the University's Green Impact Scheme
- To monitor and support the delivery of a School strategy
- Ensure implementation of quality assurance processes, notably via Green Impact Workbook log for the Green Impact audit
- Ensure effective channels of communication between the Impact Team, School and Estates
- Promote the sharing of best practice
