

# Application Process – September 2025 Entry

- Postgraduate Applications

- Applications are made through the **Postgraduate Application Portal**. This is the Central PG Portal.

- Guide for Applicants

A link to this document can be found on our website, just click the ‘application and open day’ tab.

# Application Process - September 2025 Entry

- Ensure your application is **fully** complete:
  - ✓ Evidence of GBC
  - ✓ Supplementary form uploaded
  - ✓ UG transcripts provided
  - ✓ Two relevant referees provided
- A step-by-step guide to completing the application can be found at the end of the guide.

# Most common mistakes:

- ◆ Uploading certificates instead of **transcripts**
- ◆ Not including evidence of **GBC**
- ◆ Providing an incomplete / no **supplementary form**
- ◆ Not providing information for two **referees**

- Submit in Good Time!

## FAQs

- **International students** can apply - you must have a right to work in the UK, have home fee status and meet the entry requirements. More information can be found in section four of the guide.
- **Transcripts** – Unofficial transcripts are accepted at application stage however if you begin on the programme you will be required to show your original documents.
- **Feedback** – feedback can be requested on your application up until 30<sup>th</sup> June 2026. All requests will be actioned during the summer months of July and August.
- **Outcomes** – Dates when you should expect to hear from us have been detailed in the guide for applicants.
- **Advice** – we are unable to provide advice on any current study or qualifications, our guide for applicants sets out the entry requirements needed along with the competencies you are assessed on during our selection process.
