Exhibiting Company..... Stand No.....

I have read the Health and Safety section of this Exhibitor Manual and I am aware of my obligation to ensure the Health and Safety of my staff, other exhibitors, organisers, visitors and other persons as may be present from time to time.

I have ensured that we are adequately insured, and will have completed a Risk Assessment by the time I arrive on site. I will bring this together with my Company Health and Safety Policy Document.

I have also satisfied myself that any company or individual that I employ to build or assist in the building of my stand will have adequate insurance and have completed their own risk assessment and will bring it together with their Health and Safety Document on site.

I will make these documents available to the organiser or agents upon request.
