From the following screen, you can get results for the whole sample, and results broken down by gender or religion:

Year: 2012
 Module: Identity
 Variable: NINATIMP

Some people feel very strongly about their national identity, that is, whether they feel British or Irish or something else. Other people say that their national identity is not important to them. How important is your national identity to you?

	%
Very important	29
Quite important	29
Neither important nor unimportant	21
Not very important	11
Not at all important	9
Don't know	1

Results for men and women
