

The Northern Ireland Cancer Research Consumer Forum and
NI Cancer Trials Network invite you to a Public Information Event

Cancer Research in Northern Ireland: Creating a Brighter Future Together

Hear about new advances in
cancer treatment and
how you can get involved and
influence cancer research

Tuesday 26th March 2019
4:30- 6:30pm

with a break for refreshments and information stands
Belfast City Hospital, Postgraduate Lecture Theatre

If you would like to attend this free event or
for more information telephone Amy 028 90 638468 or
e-mail nictn@belfasttrust.hscni.net

The new strategy for Personal and Public Involvement in Cancer Research
will be launched at this celebration event
