

Athena SWAN Event

Men's Health in Northern Ireland: Past, Present and Future

Plenary Speaker:

Dr Ian Banks, President of the European Men's Health Forum

Date: Friday 7 June 2019

Time: 12.30 pm – 2.00 pm

Venue: The Moot Court, First Floor, School of Law Building

The School of Nursing and Midwifery's Athena Swan Committee are pleased to host this exciting event in celebration of Men's Health Week. This event aims to discuss and celebrate the past and ongoing men's health community work and research being conducted in Northern Ireland.

Our plenary speaker for this event is Dr Ian Banks, President of the European Men's Health Forum and honorary senior lecturer in men and cancer at the School of Medicine, Dentistry and Biomedical Sciences at Queen's University Belfast. There will also be a short panel discussion which will explore the exciting work being conducted by a number of respected academic, community and healthcare workers in the field of men's health.

For further information and to register for this event, please visit the Eventbrite page [here](#).
