

Celebrate the International Year of the Periodic Table

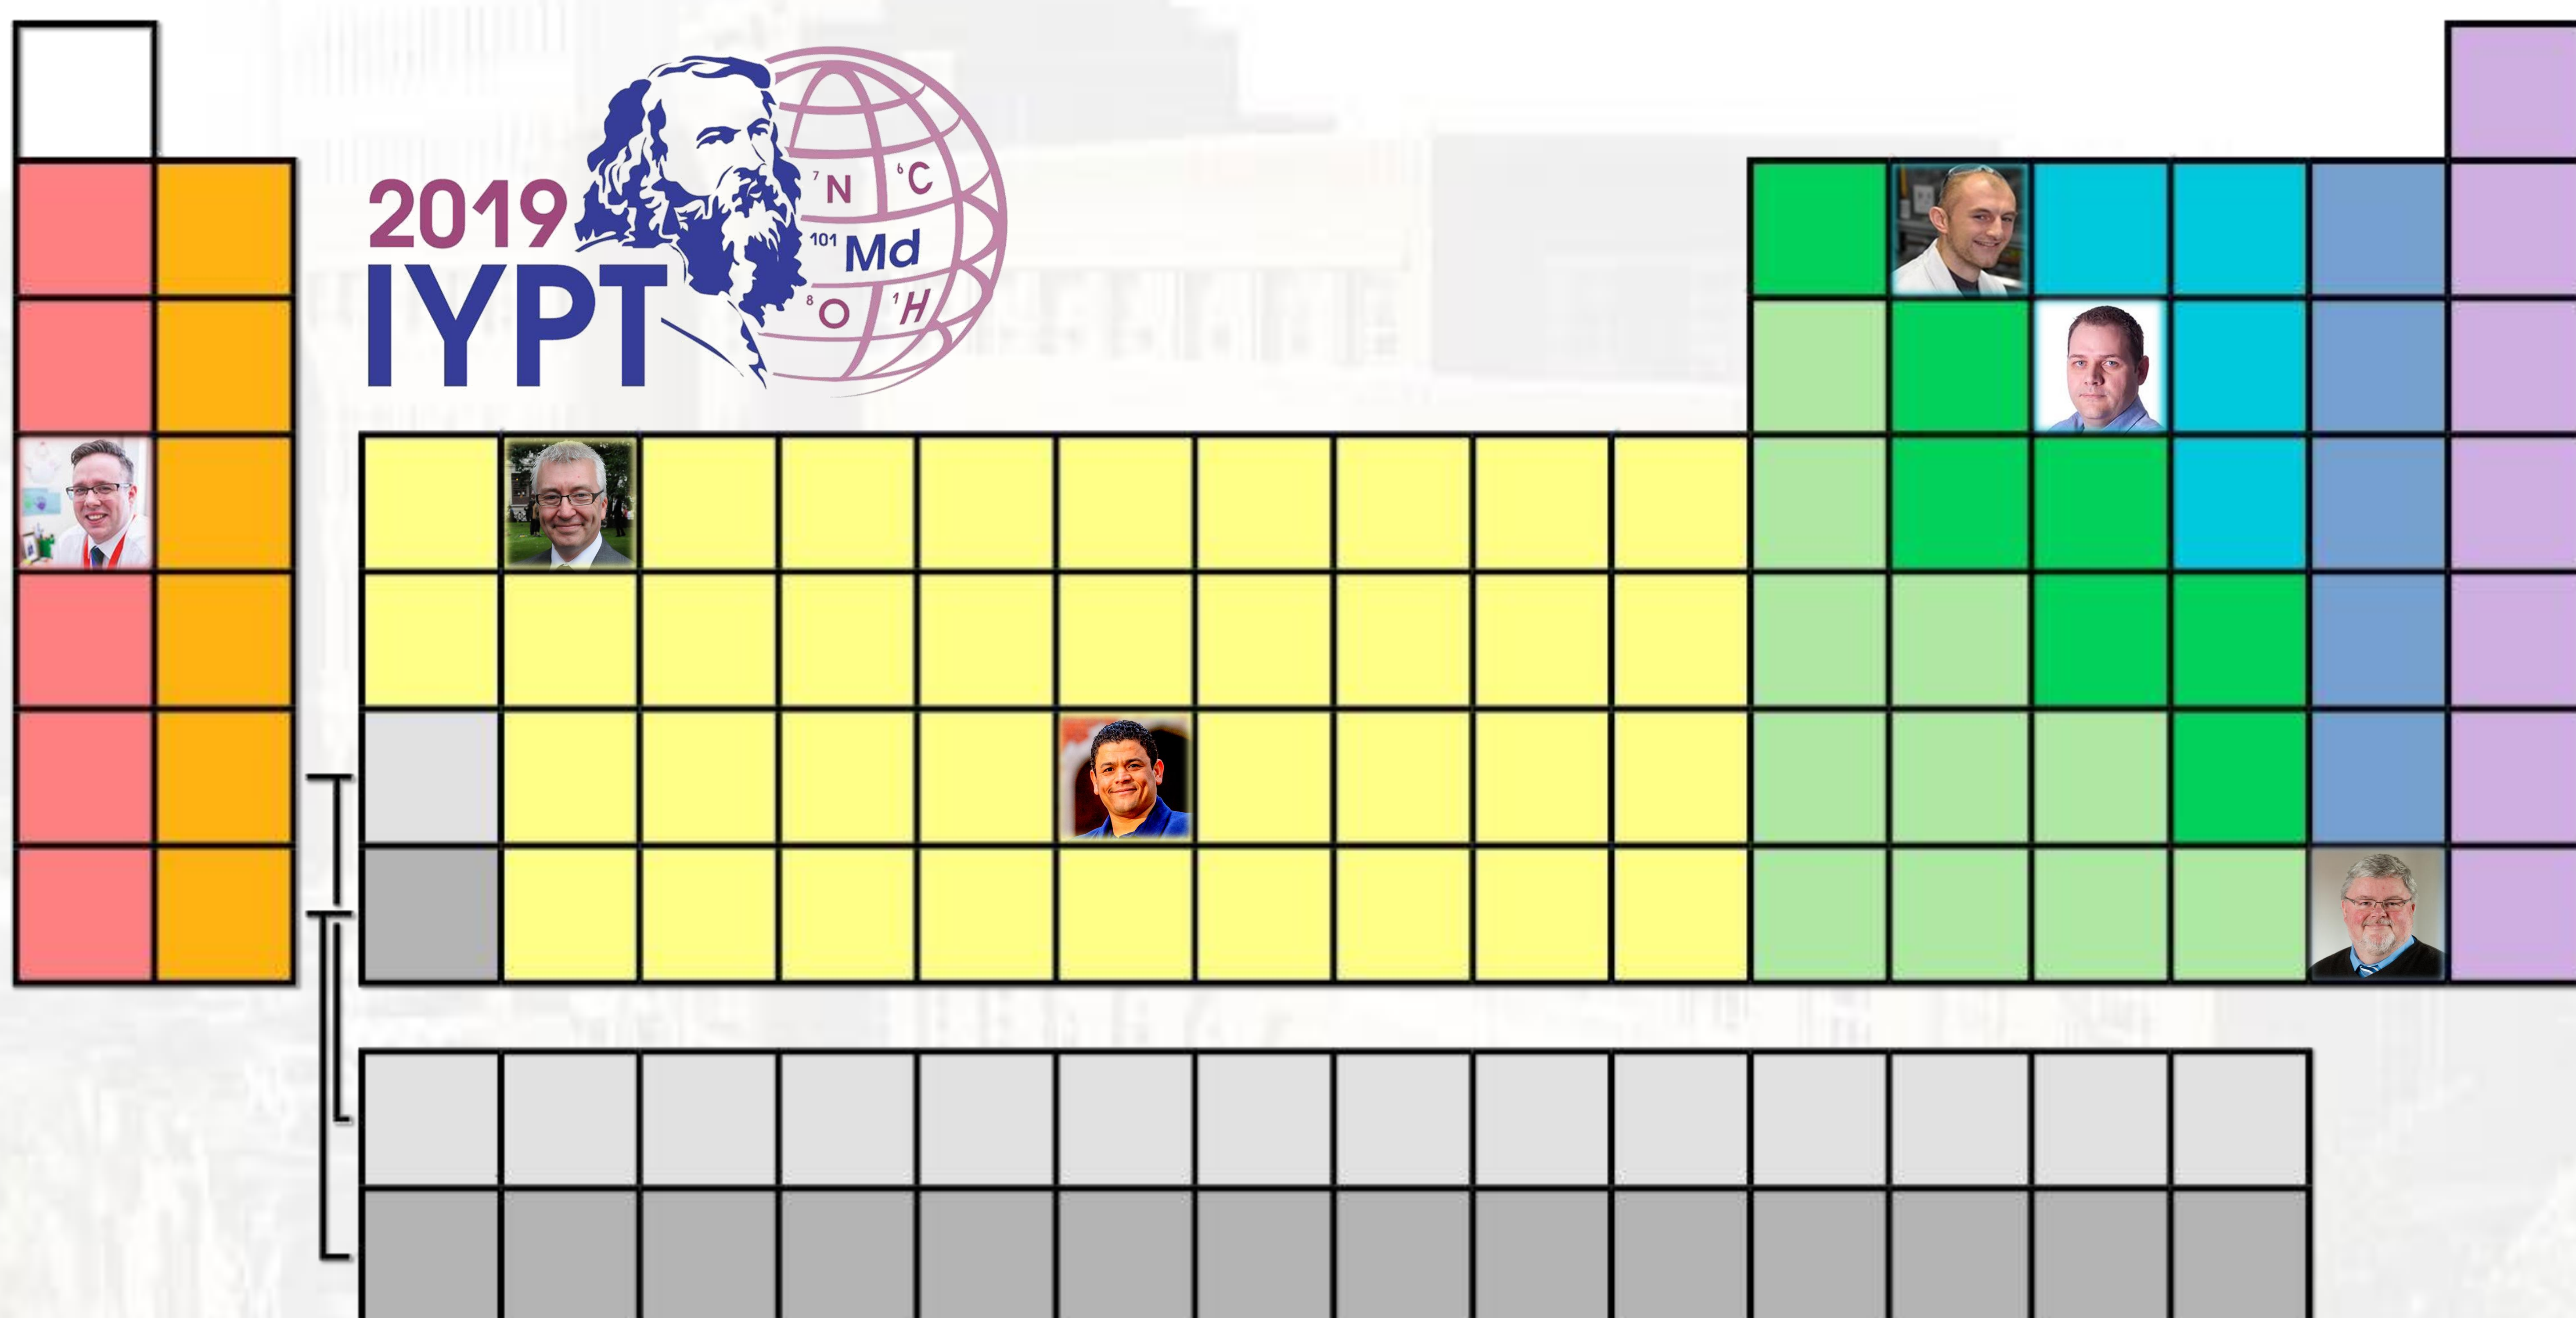

your element!

Do you have a favourite element?

One you work with?

One named after your favourite place or scientist?

Or even just your initials or birthday!

**The School of Chemistry and Chemical Engineering
Green Impact Committee
are designing a Periodic Table Feature Wall for the David Keir Building**

Be a part of this project by sponsoring an element (minimum £5)

Donations will support the Friends of The Cancer Centre and Marie Curie

Please contact k.morgan@qub.ac.uk to secure your element!
