Wear today!*

All donations will go to MACS, Supporting
Children and Young People

MACS NI was established in 1990 to support children and young people (aged 6 - 25) who have had a difficult start in life. Through their range of services, MACS provide young people with opportunities to build their confidence and learn professional skills to equip them for the workplace.

By donating business wear you no longer need, your support will help a young person make a good first impression at interview, taking them one step further on their journey to employment!
