

Specialist Librarians

All members of the Library can take advantage of the training and support provided by our specialist librarians. They can help you to make the most of the resources and services available from the Library.

Individual and group training programmes are available and include support on search strategies, using databases and EndNote. We also welcome any queries on publishing, copyright or Open Access.

To find out more, please contact:

Patrick Elliott / Newforge
028 9025 5227
p.elliott@qub.ac.uk

Kriss Leslie / Stormont
028 9052 5622
k.leslie@qub.ac.uk

If you have any questions about using the Library, your training needs or what resources are available to you, please do not hesitate to contact us either in person or online.

Look out for our upcoming events and training programmes either online or via the staff intranet.

Our Locations and Specialties

The Library provides research facilities on all AFBI sites. Staffed libraries are located at Newforge and Stormont, with smaller unstaffed locations at Loughgall and Hillsborough.

Newforge

A partnership between

Supporting Research. Supporting AFBI.

Our staff are here to provide you with expert guidance to obtain accurate and relevant information efficiently – to aid and support AFBI.

afbilib.qub.ac.uk

Welcome to the AFBI Library.

We're here to **provide you** with valuable information, resources and research materials to help support your work.

There is a wealth of online and print resources freely available to you as well as access to expert advice and training.

Membership

All AFBI staff and postgraduate placement students, authorised by their Head of Branch, are entitled to join the Library. Simply download the application form at afbilib.qub.ac.uk or ask for a registration form at any branch. After signing up, you will receive your library card and login details, allowing you to access information resources from any location and device. You can also borrow books and use the Library facilities at the two main sites of Newforge and Stormont.

Expert Training and Support

With our knowledge and experience in the agri-food and biosciences sector, we can provide you with training and support to help you effectively navigate library resources and improve your research outcomes.

- One-to-one training on using information resources
