General Practice across the QUB Medical School Curriculum 2024/2025

Each year the GP attachment has a different 'focus' based on the SPAC/RCGP guidance 'Learning General practice'

Year 1 and 2 Family Medicine:

Tuesday and/or Thursday afternoons, paid at £41.67 per student. Groups of 8-10 students.

YR1- Pairs of students are matched to patient/families + five afternoon tutorials.

YR2 -five afternoon tutorials through the year where students can learn about the world of General Practice through contact with patients and members of the Primary Care Team.

Year 3:

Wednesday morning sessions for 12 weeks in semester 1 and/or semester 2. Paid at £250 per session.

Tutors are allocated groups of 6 students.

The aim is to build on the YR2 Family Medicine experience through a range of suggested activities to allow students to gain a greater understanding of GP work and patients with all their complexity

Year 4:

A pair of students for 8 weeks across the academic year. Practices can host up to 4 pairs of students.

Flexible integration into work of the whole practice team. Pillar structure (reproductive health, child health, mental health, and Ageing and Health)

£8800 per pair of students per 8 weeks.

Year 5 C25

- Emergency and same day care
- Multi-morbidity and complexity (incl. polypharmacy, overdiagnosis, Medically Unexplained Symptoms/Functional Illness)
- Preventing disease and promoting health
- Integrated care

(based on Teaching in General Practice – throughout curriculum)

Main Learning activity

Student 'micro'- surgeries

- Mode of consulting can be telephone, FTF or video (mix is ideal)
- Unselected and undifferentiated including emergency conditions
- 'Triaging'
- Chronic Disease/Long term conditions management
- Increasing level of complexity
- Decreasing levels of supervision

Other learning activities

Case reviews

Patient Journey

Prescribing

QI project (one session/week in first 14 weeks in year 5)

Virtual Primary Care

Case based and Problem based activities, facilitated by QUB

Dates and scheduling

YR5 Calendar

7th - 17th Apr 2025	28th Apr - 9th May 2025	12th - 23rd May 2025	24th Mar - 4th Apr 2025

1 Week Overlap

Year 1-2-3s

Year 4s

Year 5s

UU

Year 5s can:

Run their own 'micro'-surgery under supervision of another GP/other HCP (depending on presentation/focus)

Prescribing activity- prescribing ('purple pen')/reconsolidation/deprescribing ('red pen')

Case reviews (complexity, uncertainty)/routine home visit

Prepare for chronic disease reviews

Telephone 'triage' or consults

(Telephone or FTF) review of selected patients with specific conditions or advanced levels of complexity

Patient journey

What is expected from the practice/tutor

Safe and stimulating learning environment, designated main tutor

Set up and supervise students' "micro-surgeries" which can involve:

- Patients presenting with undifferentiated and unselected problems or 'triage'
- Selected patients with specific conditions and/or advanced levels of complexity
- Patients attending for Chronic Disease Reviews

Facilitate learning activities like prescribing/reconsolidation of medication/de-prescribing, reviewing a specific patient, patient journey (visit patient at home if possible), identifying/discussing cases for CBL

Facilitating QI Project

MyProgress, records student activities and attendance

What the students say

Dr. Jenny Drennan, Foundation Year 1

“Throw us in at the deep end, we really love the independent consultations, seeing real patients and management plans”

“I loved my time in GP and can’t wait to get back into Practice”

‘Very kind, friendly and made me feel part of the team from the very first morning!’

‘Treated like an adult with responsibility over my own learning.’

What the students say

'Clinical teaching was great, everyone happy to take time to teach/explain/provide feedback despite being busy.'

'Good constructive feedback, relaxed approach, didn't feel like an exam but still encouraged to do it properly.'

'.....made you feel like you were making a difference...'

What the GP Tutors say

Dr. Aine Harley, Dunville Surgery

“Great ideas for QI work”

“Ask great questions and are enthusiastic and passionate”

“They are an asset to the team and contribute to the practice”

“They learn by doing, they are very knowledgeable”

(Based on SUMDE tariff up to 31/3/23)

- Each pair of students attached 7-week placement
- £7 700.00 per pair per 7-week placement

***Approximate remuneration based on current
SUMDE rates and anticipated placements
Able to take 3 pairs x 7-week Placements
£23 100.00***

What we need from you

- Complete the availability tool
 - *Review the options Monday 8th January 2024*
 - *Your practice availability opens Monday 19th February 2024*
 - *Closes Sunday 31st March 2024*
- Can you host 1 /2/ 3 pairs of students?
- We can talk and meet over the next few months
- We need you!
