Other Information:

- **Please note that once you have completed your academic enrolment, the system will automatically generate a personal timetable of lectures and tutorials for you – you can view this on your Qsis account.**
- If you get lost at any stage, please come to Reception and ask any of the staff for directions.
- Please check your Queen's email account regularly as we may send you further emails electronically.
- You will be enrolled on a Transition Module in Canvas which will give you key information for your studies. A School Handbook will also be made available to you.
