

## CCTV: video feedback analysis on consultation skills

Students are required to attend one CCTV video feedback session during their General Practice attachment (either on the first or second Friday afternoon in one of the greater Belfast CCTV teaching practices). Successful completion of this session is mandatory. Your CCTV tutor will complete the following feedback form.

To be completed by CCTV tutor	
<ul style="list-style-type: none"><li>• CCTV tutors name</li></ul>	
<ul style="list-style-type: none"><li>• Week of CCTV session</li></ul>	Week 1(of 4) <u>or</u> week 2(of 4) <i>(delete as appropriate)</i>
<ul style="list-style-type: none"><li>• Brief outline of clinical case</li></ul>	
<ul style="list-style-type: none"><li>• Good points about students consultation skills</li></ul>	
<ul style="list-style-type: none"><li>• Areas for improvement</li></ul>	
<ul style="list-style-type: none"><li>• CCTV tutors signature and date</li></ul>	
To be completed by student after CCTV session	
<ul style="list-style-type: none"><li>• Student reflection on learning activity</li></ul>
