

Undergraduate Education Officer Report

October

- Delivered Course rep training to over 600 Student reps on a school by school basis. This differs from how training was delivered in previous years, with excellent engagement across the schools and let student meet the staff that will be supporting them along with their School and Faculty Reps.
- Attended the National March for Palestine in Dublin and marched alongside USI to demonstrate QSU's support.
- Attended ECQS. Discussed the possibility of new branch campus in GIFT city India.
- Took part in the new academic year workshop. This is aimed at decompressing the academic year to allow more time for a standardised, institutional welcome for students.
- Delivered induction presentations to student ambassadors. Informing them of the offerings the Student Union has.
- Attended our First Council of the Year, promoting the available posts on Senate and Academic council along with the student ideas vote that closed on Sunday the 27th
- Attended Comhairle in Dublin with USI. Attending the region working groups and attended the various subgroups representing QUB.
- Attended a student experience conference in Dublin alongside the other officers. Attended the speech and fishbowl discussion delivered by Kieran, the Union President and Judy the PVC Education.
- Attended appeals training to be able to support students during the appeals process.
- Attended the first UG and PG Academic board.

- Began planning of UG Rep forum to discuss issues facing school and Faculty reps in the first semester.
