

Game, set & match

SANDWICH is still **ACE-ing** it!

John Pappachan proudly wears his SANDWICH badge at Wimbledon

Recruitment: the trial is on target. Thank you to **everyone** and keep up the great work!

****** Birmingham **smashes** the **1000 recruit** mark ******

Intervention training: Leeds & Bristol were the quickest to be fully trained

Compliance:

- Sheffield were the most compliant with SBTs
- St George's & St Mary's excelled overall

Best screening system: Alder Hey

PICANet: Belfast recent download had the least errors

Unrelenting patience: Stoke & Southampton (waiting for the intervention!)

Study Milestones

- Lisa has finished intervention training
- Joanne has finished the initial process evaluation interviews and is scheduling the final interviews

Both would like to say a **BIG THANK YOU** for all your hard work, enthusiasm and commitment

We'd love to hear from you with any comments, suggestions or queries

Email us at SANDWICH@nictu.hscni.net

or give us a call on 02890 635 794

We are almost there!

Sun 13th October 2019: Last day of screening & recruitment

Mon 14th October 2019:

- all patients in your PICU *go Off Study*
- all recruits discharged from your PICU are followed up for 28 days (hospital discharge only)

Mon 11th November 2019: data collection stops - all remaining recruits *go Off Study*

Data Management

Data Queries

The majority of sites have been absolutely **BRILLIANT** at completing their DCRS!

Keep up the great work!

PI Sign-off

Will start in the next few weeks.

Don't forget this may be delegated to other staff.

New Parent Leaflets

The new parent leaflets (v3.0) have now been translated into the various languages.

We will be posting out batches to each site in the next few weeks.
