There are two possible learning pathways for SANDWICH. Each pathway has six modules.

Your unit will be following the **COMFORT Behavioural Score** pathway.

Please select the COMFORT Behavioural pathway to proceed

Please access each module in turn.

Please click on the navy module icon corresponding with the module you wish to access.

Each module will have a grey and red circle beside the name indicating when you have not yet accessed the module.

If you access a module you may leave before completion. The module will pick up where you left off when you revisit. A grey and yellow circle indicator will stay beside a module you have accessed until you have completed it.

COMPLETED

On completion of the module the circle will turn green to indicate you have finished this module.

Module 1 and 2 do not have an assessment. Please click the navy Launch Module icon to view the module content

On completion of module 1 and module 2 please click on the **statement of completion** to certify you have covered all content within the module.

Modules 3,5,6 & 7 have an assessment to be completed at the end of the module.

Please click the navy Launch Module icon to view the module content.

When you have completed the content please select

the Launch Assessment icon to complete the assessment for the each module.

When you have completed all six modules assigned to your pathway and their assessments you will be issued with a certificate.

Please print the certificates and give a copy to the research nurse in you unit.
