General Information

We have created a **timeline** of when we will depart from different **sections** of the Greenway and would like to invite you to join us for **one (or more)** of these sections so we can chat to you and get your feedback and ideas on the **accessibility and inclusion** of the Greenway. Alternatively, you may prefer to join us at one of our **rest stops** where we will have seats, refreshments and shelter, and our partners and members of our team will be there with information and can chat to you while you sit down.

You will have the opportunity, if you would like, to be able to take part in **litter picking, graffiti cleaning and engagement activities** along any section of the workshop. All equipment and a safety briefing will be provided before you begin.

We would love to facilitate anyone to be able to join us along any section of the workshop of their choosing. With advance warning, we can provide, through our friends at Disability Sport NI, various aids such as wheelchairs and walking poles to assist you. Please contact **Katie on 07942904485 or katie@studioidir.com** if there is anything that you require. Alternatively, if you cannot attend the Workshop but would like to give your feedback and input, please fill out our questionnaire at the [link here](#).

To help you plan which section of the workshop you would like to join, please see the [link here](#) for more information on the available facilities along the sections of the Greenway, including toilets and parking.

If you would like a hard copy or other format of this invitation please contact Katie on 07942904485, or katie@studioidir.com.
